

Medina Childcare & Academy

4301 Shamrock Dr
Charlotte, NC 28215
(704) 537-9081

Medina childcare offers introductory computer classes for children 4-5 years old.

The children learn how to control the mouse: simple mouse manipulation techniques of click double-click to click-drag-click.

The simple lessons are detail oriented and structured.

The students learn about all the basics needed to use the computer.

Each student has a hands on the computer.
